

CARRIER

30TB

Don't let your heavy duty customers shop elsewhere for their light duty needs. Choose the carrier that does it all with lower deck height, strong and lightweight design as well as powerful hydraulic components that ultimately make 30TB carriers outstandingly efficient and dependable.

The tough and sturdy 30TB carrier is always up to the task with its 15-ton capacity deck and 7.5-ton capacity tow bar. Truck recovery? No problem. Load up heavy machinery and tow a car, all at the same time. Make the most of every mile.
